

LEED  
PROJECT

# The Green Building Ideology

is to protect our environment by utilizing building materials, conservation and sustainable sites...

## to Save the Planet.

At Republic Elite, we can assist you with your LEED Projects by offering you product options that aid in gaining those valuable credit points while controlling your costs.

### Materials and Resources

#### RECYCLED CONTENT

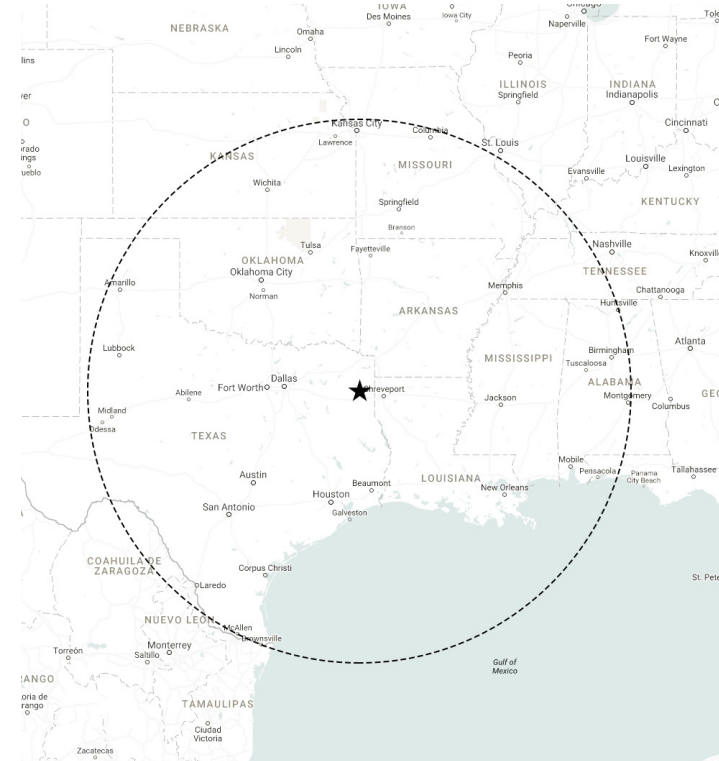

(listed by pre-consumer recycled content percentage, no post-consumer)

Builder Box with Thermofoil Door <b>72.75%</b>	Builder Box with Wood Door <b>59.8%</b>
Frameless Box with Thermofoil Door <b>91.9%</b>	Frameless Box with Wood Door <b>85.4%</b>
Choice Box with Thermofoil Door <b>77.75%</b>	Builder Box with Wood Door <b>59.8%</b>
Plywood Box with Thermofoil Door <b>23.2%</b>	Particle Board Counter Tops <b>92%</b>

*The Framed Builder Cabinet and Frameless Cabinet utilize particle board construction, and when combined with our thermofoil doors manufactured using MDF, provide a high recycled content.*
